

Faculty of Architecture and Planning, Thammasat University Notification

No. 122 /2024

on

The Successful Candidates to Receive the Fast Track Scholarships for Design, Business and Technology Management Program (DBTM) Graduate Students, 2/2024 Academic Year

.....

According to the faculty announcement No. 92/2024, dated on 3 September 2024 the Fast Track Scholarships for Design, Business and Technology Management Program (DBTM) Graduate Students, 2/2024 Academic Year, the selection process has now been completed and the successful candidates are:

1) Miss Soung Jingjing

The selected students have to be compliant with all the following conditions.

1. The student must have accumulated grade point average (GPAX) not lower than 3.00 and must not have any “U”, “F”, or “W” results in the official transcript. In case the GPAX is lower than 3.00 in any semester, the student shall be suspended from receiving the scholarship in the following semester.
2. The scholarship covers only tuition fees. The student is not allowed to register more credits than suggested by the program.
3. The student is obligated to dedicate to any activities organized by the Design, Business and Technology Management Program for at least 24 accumulated hours per semester.
4. The student has to follow all disciplinary rules. Violation would make the student disqualified for scholarship. In that case, the paid tuition fee has to be reimbursed within 30 days.
5. Any other matters shall be under the ultimate decision of the director of the Design, Business and Technology Management Program.

The academic calendar and any other relevant information will be posted at www.tds.tu.ac.th.

Given on 22 November 2024

(Associate Professor Daranee Jareemit, Ph.D.)

Dean, Faculty of Architecture and Planning
